

profess. If you try to get rid of the Sabbath, which is a Commandment, you have to get rid of the Ten Commandments also!!! Beware these false teachers!

Look again at how the true gospel works: reference the doc The Plan of Salvation from the website prophecybyjesus.com . “Sin is the transgression of the Law” (1 John 3:4 – read the rest of that small but important book by the apostle John). Without the Commandments, there is no Covenant with God for our salvation from sin!!

God has re-established the keeping of the Sabbath as a requirement for Christians, after the Dark Ages ended! It’s the Fourth Commandment! Twice, in Revelation, the ‘remnant’ of the seed of the pure woman (church) “...keep the Commandments of God, and have the testimony of Jesus Christ.” (Rev. 12:17, context last days) READ. The other, in Rev. 14:12, READ, context 3 Angel’s Messages! “Here is the patience of the saints; here are they that keep the Commandments of God, and the faith of Jesus” (faith in the Bible as the Word of God).

Only the 7th-day Adventist Church is presently preaching these messages of the Three Angels, with the Everlasting Gospel, that has been lost by almost all of Christianity, and now of the Fourth Angel’s message, in Rev. 18:1-5. READ .In this time of the Judgment, since 1844, whose side will YOU be on: those who believe and study the Scriptures, or those who war against them, on Satan’s side? Man’s probation is soon to close on the living, with the declaration in heaven, written in Rev. 22:11, READ, and, after the Seven Last Plagues release the children of God from the oppression of the wicked, Jesus will Return, to lead us to the ultimate Promised Land!!

**Are the 10 Commandments Still Binding, Today?
Is the Sabbath also Still Binding?**

For this study, please READ every Scripture reference, without fail, to let the Word speak to you. How are all of these proof-texts found? – By the Bible study method given by Holy Spirit Himself, in the Bible, Isaiah 28:9-13. READ That text is exceedingly important. Look what happened to Israel, by the time of Jesus, because the ‘Jews would not hear’! That text requires the use of a Complete Concordance, a text finder given by God’s Providence. The power that kept the Bible from the people, for 1260 years! (the Papacy) was removed by Napoleon, in 1798, right on time, by that 1260-day (a day-for-a-year) time prophecy (Rev. 12:6), READ. [Papacy ruled from 538]. The British Bible Society was up and running, by 1805, Providentially distributing the King James Version of the Bible throughout the British Empire (most of the world). The KJV has since been translated into every language in the world! And, the Concordance, specific to the KJV, was Providentially supplied with it! That combination of events caused ‘the Great Awakening,’ world-wide, of Bible religion. of the 1840’s. The Bible Study Method, given in Isaiah 28, is only clearly written, in the KJV! This study (using the KJV) is based on that method of Bible Study.

Are the 10 Commandments Still Binding, Today? Is the Sabbath also Still Binding?

Something was wrong with the Covenant, in 10 Commandments, given to the people of Israel, at Sinai. That problem continued until Jesus Came, as Messiah. (1)

Sabbath. Those burnt offerings were no longer required to be done, by anyone! Jesus was nailed to the cross of Calvary, replacing every offering of the Ceremonial Law, that pointed to Him! NOTE: Daniel 9, verse 27 READ. He caused the sacrifices to cease, by His sacrifice on the cross! Therefore, ‘let no man judge you’ *for not doing them any more!*

The other text, found by comparing ‘line with line,’ in the Concordance, is Is. 66:23. READ, There, the offerings are notably not mentioned, as also the Festivals – as the context, in the verse preceding, is in the new heavens and the new earth “which I will make.” “And it shall (future) come to pass, that from one new moon to another, and from one Sabbath to another, shall all flesh come to worship before Me, saith the Lord.” As in Col. 2:17, the offerings are ‘a shadow of things to come’ (in that future referred to in Is. 66:22), but the body (the real sacrifice of the Lamb of God, pointed to by all of the other sacrifices) is of Christ. In the Communion Service, the unleavened bread is the ‘body’ of Jesus, “which is broken for you.”

Another text, found in Is. 1:13, 14, READ; in the context of the iniquity of the Jewish people, God declared that He “...is weary to bear” their “new moons, and Sabbaths,” and, “your appointed feasts.” There they all are, again, including ‘oblations,’ and even ‘incense,’ “which is an abomination unto Me.” READ the whole context, to v.28.

Therefore, having considered these things, by seeking out their use in other texts, ‘line upon line,’ we cannot try to twist them to say that the Sabbath, or the 10 (6) Commandments, have been “done away with,” as many

judge you (in reference to those sacrificial offerings, that were now done away with) in ‘meat’ (food offerings) or drink (wine offerings, required for your sacrifices for sin etc.) or in respect of an holyday (Festival Sabbath offerings – holy convocations – Leviticus 23; READ what God says, vs. 1-4); or, of the new moon, or, of the Sabbath days, which are a shadow of things to come, but the body is of Christ! He is what replaces them, “nailed to the cross!”

How do I know that that is what is referred to?

I compare ‘line with line,’ using those key words, in the Complete Concordance [I recommend Cruden’s Concordance, because it is a simple text-finder. It shows every place in the Bible that each word is used, beginning with Genesis, all the way through Revelation, with a part of each text added, for ease of finding the relevant text to your question].

There are 2 texts that use the same key words that are used in Colossians 2, v. 16. Most relevant to the apostle Paul’s admonition, about the sacrifices to do with Festival holy days, sacrifices for new moons, and sacrifices for 7th day Sabbaths, is 2 Chronicles 31:3. READ (In reverse order, not uncommon in the Bible) it speaks of burnt offerings for the Sabbaths (every Sabbath at the Temple), and for the new moons, and for the set Feasts, as it is written in the law of the Lord. [Those Ordinances are written in the Torah – the Book Moses wrote]. Each of those offerings have food and drink parts to go with the animal burnt offerings. It is to these that Paul is referring in Col. 2:16, because we know that he is not referring to removal of the Sabbath, or any one of the 10 Commandments, such as the 4th Commandment (5)

Was there anything wrong with God’s side of that Covenant? [Dictionary: Covenant: An agreement entered into by two or more persons or parties: a compact.] No. There was nothing wrong with God’s side of that Covenant!

What was wrong with it? Hebrews 8:6 – 13. READ.

When Jesus, the Son of God (John 1:33,34) READ, made the New Covenant, with humankind (not just with Israel), Jesus Himself, as a MAN, fulfilled the New Covenant, taking upon Himself, the sins of mankind, upon the cross (He, Himself, was sinless, throughout His life as a man). He became the Lamb of God, sacrificed for the sins of all mankind! – the Divine Substitute for the death penalty for sin (Romans 6:23. READ). THIS is the reason that the New Covenant (Hebrews 10:4-17) READ, is written in our hearts as well as in our minds! We become very grateful for what the God-head, the “Elohim” went through, to guarantee that we can be saved from our sins (Mt. 1:21) READ. We learn to Love the Elohim (which is a plural form of the Hebrew word for God) by that gratefulness.

God’s side of the Covenant, therefore, is still the 10 Commandment Law in the New Covenant. When we are converted, we must make the New Covenant with Jesus (and the whole God-head). We pledge to Keep His Commandments (which we can only do, if He helps us!) (Phil. 2:12, 13). READ. This legal agreement is the Plan of Salvation! [Find that document title in the website, prophecybyjesus.com]. (2)

What is the Bible definition of sin? Few ever check that out! ‘Line upon line,’ from the Complete Concordance,

gives us 1 John 3:4, with the piece of the verse, that sets it out as the answer: “sin is the transgression...” READ. If the 10 Commandment Law of God is no longer binding, then Jesus cannot save us from our sins! Mt. 1:21 READ. If a church doesn’t teach that, it is failing its congregation. Hosea 4:6. READ. NOTICE: “...seeing thou hast forgotten the law of thy God...” in that verse! Thankfully, most people inherently KNOW that sin is the breaking of the Law of God, when it is pointed out to them!!

The 10 Commandments are written in stone, by the finger of God Himself, at Sinai (Exodus 31:18) READ. They are unchangeable! (though the Papacy has tried to change them (Daniel 11:30) READ. When? The Bishop of the Christian Church, at Rome, had “intelligence” with Roman Emperor Constantine, and decided to change the 4th Commandment Sabbath (the seventh day of the week) to the Pagan worship day of the sun, the first day of the week, and deceptively called it “the Christian Sabbath.” Thus the Bishops (later called Popes) “forsake the Holy Covenant!!” That was in 321 A.D.

The Sabbath is the Fourth Commandment!

In 325, just 4 years later, that same Bishop created, and instituted worship of, an IDOL of MARY! – [research by Doug Batchelor, Pastor of the 7th-day Adventist television ministry, Amazing Facts].

The Popes had to REMOVE the 2nd Commandment, from their Catechism (which they replace the Bible with, for the people of the Catholic Church). NOTE: The Elohim hate IDOLS !!! (Deut. 16:22) READ)! (3)
The idol of MARY is the IMAGE of the Beast!

BABYLON THE GREAT, MOTHER OF HARLOTS [in the Bible a “woman” is symbolically a church (Jeremiah 6:2; Isaiah 47:1) READ], SHE is the Papal Church, and her children are the denominations that were born of her, in the Reformation (Rev. 17: entire chapter, with emphasis on vs. 5, 6: 9, 18)! READ. See the document, Christ’s Riddle, in the website, prophecybyjesus.com to unfold vs. 10-14. READ.

****The Ten Commandments, with the Fourth Commandment Sabbath, are the principles that govern eternal life. They shall never be changed by God.****

Now we can study 2 major texts of Scripture that are used by many denominations (harlot daughters!) to do away with the Sabbath, and even the 10 Commandments! They are: Ephesians 2:12-18, READ: and, Colossians 2:8-21, READ.

These “hand written” (by Moses) “Ordinances” are ceremonial laws, including circumcision, sacrifices for sin (and several other things) and ceremonial cleansing (touch not, taste not, handle not).

When Jesus died on the cross of Calvary, Father-God Himself tore the veil in the Sanctuary Temple, in two, from top to bottom! That signified that all of the ceremonial laws ENDED that very hour!

All of the sacrifices of the Ceremonial System, pointed toward the sacrifice of Jesus on the cross! (though the Jews continued to practice all of these things, till 70 A.D. when the Temple was summarily destroyed by Rome.) The apostle Paul wrote these things to these two (4) churches (shared by all other churches) to “Let no man
